I would like a hard winter, a snow blizzard to an extent that rain ... the rain ... the rain ... history and all roads are closed and you have no choice but to stay and stay.

I wish one day I could ski on the best ski slopes in the world (Vallee Blanche, La face, Sella Ronda, st.Moritz, etc. Skiing and mountaineering is my love

I would love to meet the women's ski champions Lindsey Vonn and Mikaela Shiffrin.

Hi everybody, my name is Ourania-Marina Ntouskou and I am an alpine skier from Greece. In 2021 I was the best U14 alpine skier in Greece and I also got some really good positions in FIS races that took place in Balkans. My dream is to be the best alpine ski athlete in the whole world and I'll do whatever I can to achieve it. The thing that I find most challenging to deal with, is the country that I live in because skiing is not a popular sport in Greece. I am really lucky tho cause I have the support of the best ski academy in Europe, APEX 2100, which is located in Tignes, France.
